

Cookie *policy.*

What cookies and similar technologies we use on fluxstride.com, why we use them, and how you can change your choices at any time.

EFFECTIVE 16 SEP 2026 VERSION 2.1

THE SHORT VERSION

- ✓ Essential cookies keep the site working and secure — they're always on.
- ✓ Analytics and marketing cookies only load after you accept them.
- ✓ We use privacy-friendly analytics and never sell data to advertisers.
- ✓ Change your mind any time from the "Cookie settings" link in the footer.

01

What cookies are

Cookies are small text files stored on your device when you visit a website. They help the site remember things like your preferences, and help us understand how the site is used. We also use similar technologies such as local storage and pixels — this policy covers those too.

02

How we use them

We group cookies into four categories. You can choose which optional categories to allow:

Strictly necessary

ALWAYS ON

Security, load balancing and remembering your cookie choices. The site can't work properly without these.

fs_consent · __cf_bm · __Host-session

Analytics

Anonymous statistics about which pages are visited, so we can improve content and performance.

plausible (cookieless) · _ga · _ga_*

Functional

Remember preferences such as reduced motion and embedded video settings.

fs_prefs · vimeo_player

Marketing

Measure the results of LinkedIn and Google campaigns. We don't use these for retargeting.

li_fat_id · _gcl_au · _fbp
